for All Ages!

Educational
Experience

Bring your class to Dig World for a 2-hour adventure where the students can enjoy hands-on attractions AND learn about construction equipment and the basics of the industry! Our educational curriculum has been developed by the Texas A&M Construction Science Dept. and will showcase the unique opportunities in this field.

Kids will get to operate...

- Mini-Excavators
- Skid Steer Loaders
- UTVs

2 HOUR ADMISSION TO INCLUDE:

- Hands On Experience!
- Covered Pavilion
- Gem Mining*
- Meals*
- One-of-a-kind experience for all ages!

\$15 PER TICKET

*Gem Mining & Meals will be an additional cost for each child
