2023 Spring Formal

Dress Code

Modest attire is expected for both ladies and gentlemen. We expect the students to respect themselves and others by dressing in a virtuous manner. If you invite guests, they too, are expected to follow the guidelines. Please use discretion to ensure your selection is tasteful and above reproach.

Adult sponsors and chaperones reserve the right to ask anyone attending the dance to leave if their attire is deemed inappropriate based on the judgment of the sponsors and chaperones. No refunds will be issued. We do not want to turn anyone away who would like to celebrate during this special night, so please follow the dress code.

If you have questions about your attire, please contact heritagechristianhsg@gmail.com.
